Cotton Report Shows Jones Co. 20,280 Bales

Up to November 1, Jones County gins had put out 20,280 bales of cotton for this season, a figure slightly under that of the same date of 1943. Then it was 21,143 bales. This report shows that this county will go quite a bit this year over last. The next report will be up to and including November 13. Then it will be about ten days before the report will be made public from Washington. Make a guess what it will show. Two weeks of good ginning will be added to the 20,280 bales.

O. L. JENKINS FAMILY MET FOR REUNION

The children of Mr. and Mrs. O. L. Jenkins were here last week to visit their parents and to be with their brother, Sgt. John Jenkins who has been spending a furlough here, and left Wednesday of last week for overseas assignment.

Present were Sgt. Jenkins, wife and baby, Cpl. Ernest Jenkins of Bryan Air Field, Mr. and Mrs. Earl Kiser, of Seminole, Mr. and Mrs. W. A. Norris and children, and Mr. and Mrs. Alvis Bond and baby of Hamlin.

T. J. NALL CONFINED TO HIS HOME BECAUSE OF ILLNESS

T. J. Nall, who operates a small grocery on North Central Avenue, has been ill the past several weeks. He has been in the Stamford and Abilene hospitals for treatment and is still confined to his room in his home on Union Avenue. Although quite sick, he keeps up that joking and jolly attitude. Cheer up, friend Nall, you are missing some good fall weather.

Mr. and Mrs. Herbert Kennedy, of McCamey, were here last week to visit Mrs. Kennedy's brother, Earl Jobe, who underwent major surgery last Thursday in an Abilene hospital.

Hamlin Will Observe Next Thursday As Thanksgiving Day

According to all reports as revealed by the Chamber of Commerce, the Fourth Thursday of November, which, this year is next Thursday, November 23, will be observed in Hamlin as Thanksgiving Day. However, some people still cling to the "last" Thursday of November as the proper "Day." Wonder when all of this will be settled?

Daughter Died From Burns in California

R. M. Grubb received the shocking news Wednesday that his daughter, Mrs. George Tompkins had died from burns received in San Diego, Calif., last Saturday. No particulars yet learned. Survivors are her father and mother, and one sister, Mrs. Louise Campbell of Ranger, a half-sister, Mrs. Eva Costin of Monahans, and a half-brother, Robert Grubb, a soldier in England who has been overseas for the past two years.

Mr. and Mrs. Grubb will leave Friday for New Orleans, La., where burial will be on Saturday, Nov. 18.

Rev. and Mrs. Sid Martin spent Sunday here visiting their son and his wife, and Sunday evening, he was speaker at the First Baptist Church.

Funeral Services For Miss Nadine Morgan Held Sunday Afternoon

Miss Nadine Morgan, who had been slowly failing in health for several months, passed away at the home of her parents, Mr. and Mrs. J. P. Morgan, Saturday morning, November 11, at nine o'clock. She had been a resident of Hamlin since 1916 and throughout all these years she had impressed those who came in her presence, as one of unusual sincerity and charm of character.

Nancy Nadine Morgan was born at Sparta, a rural center near Belton, Bell County, Nov. 4, 1904. She came with her parents to the Decker community, near Sweetwater, and later resided in Sweetwater till 1916 when the family moved to Hamlin. She attended Hamlin schools till her senior year, and transferred to the T.W.C. High School at Fort Worth, where she graduated. She attended Texas State College for Women three years and through an extension course, graduated from North Texas State Teachers College, Denton.

The people of Hamlin want to think of this young woman as the little teacher, who by her very nature seemed to delight in teaching children of the primary grades. Her environment, education, and disposition made her an outstanding teacher, and the major part of her life was spent with young children. Her school work was from the small rural house to the larger cities. She taught one year at Sinton, Texas, nine years in the Waco schools, four years in Hamlin, and was starting her third year in the schools of Wichita Falls when her failing health prevented. Everywhere her teacher associates, pupils and their parents loved and appreciated her kindness and patience.

She was a member of the Methodist Church. Survivors are her parents, Mr. and Mrs. J. P. Morgan, one brother, Denman Morgan, and wife and little daughter, Geraldine, of Lubbock, and a sister-in-law, Mrs. Gerald Morgan, of Hamlin.

Funeral services were conducted at the Methodist Church Sunday afternoon, November 12, with the pastor, Rev. James E. Harrell, and Rev. H. W. Hanks, of Clarendon, an old time friend and a former pastor of the family, officiating. The tender words of tribute and the bountiful flowers spoke the love and esteem held for the deceased.

Interment was in Hamlin East Cemetery, under the direction of the Barrow Company.

Relatives and friends from out of town, attending the funeral were Mrs. J. M. Kiser, of Teague, Texas, a sister of Mrs. Morgan; Mrs. Elam Lillius, of Abilene, a cousin; Mr. and Mrs. Reed Alsbrook and Mr. and Mrs. Frank Morgan, of Tyler; and Mr. and Mrs. Marshal Morgan, of Sweetwater; Carl Mahan, of Abilene; Lum Davidson and Clarence Phipps, of Girard, Texas.

ALBANY LIONS DEFEATED HAMLIN PIED PIPERS, 20-6

The Albany Lions defeated the Hamlin Pipers 20-6 in a game played Friday night, Nov. 10, on Piper Field. Fumbles recovered by Albany helped set up scoring plays for the Lions in the first, second and fourth periods of the game. Albany completed two conversions.

The Pipers' score came in the third quarter, when Farrow intercepted an Albany pass. Then a pass from Rowland to Bledsoe placed the ball on the one-foot line. Blanton plunged over for a touchdown; try for extra point failed.

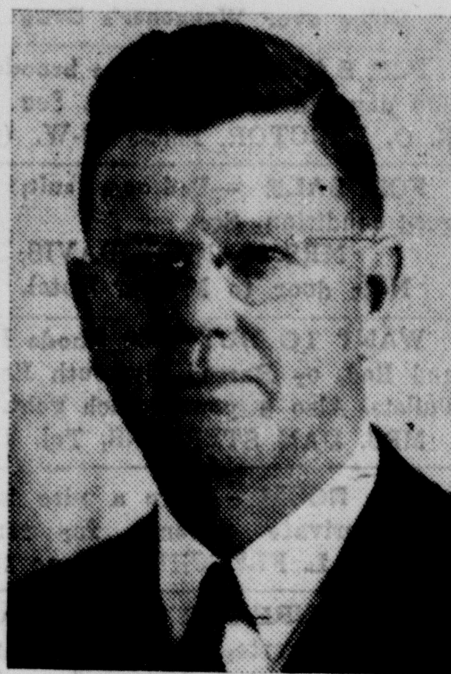

On this Friday night, at 8:00, the Pipers play the Anson Tigers here.

Mr. and Mrs. J. O. Jones of Bonham and Mr. and Mrs. Tucker of Sherman were here the past week end visiting friends of Hamlin.

Mrs. Tate May returned Friday from Hattiesburg, Miss., where she had been visiting her son, Cpl. James Tate May. She was accompanied home by Mrs. J. W. Ezell who had spent the past month visiting relatives in Cuba, Alabama, and Meridian, Miss.

Mr. and Mrs. Byron Denman, of Belton, were here Friday to visit their aunt, Mrs. J. P. Morgan, and family.

Rev. E. L. Yeats Is New Methodist Pastor

REV. E. L. YEATS

MEMPHIS, Nov. 17.—Rev. E. L. Yeats, who leaves this week to become pastor of the First Methodist Church at Hamlin, has established an outstanding record as pastor of the Memphis church. He has been pastor for five years, the only pastor ever to have served that long in the Northwest District Conference. The board of stewards in a letter to Bishop Sealeman urged that Rev. Yeats be given the Memphis appointment for another year.

During his five years here, his church has had an annual average of 72 new members, a total of 360 new members being shown for the period.

Despite the fact that 150 members are away either in service or in war work, the church has shown an increase in Sunday School attendance of 30 per cent over what it was when Rev. Yeats came here from Crowell in 1939. His budget of \$9,000 was raised this year before Conference date and Rev. Yeats reports \$6,125 in a building fund for an educational building which he started two years ago.

Rev. Yeats closed his pastorate in Memphis with a highly successful revival meeting in October, when he brought Dr. R. P. Shuler of Los Angeles here to fill the pulpit. Another high-light of the year was the organization of the Victory Sunday School class, a class of middle-aged couples and unmarried men and women which he taught and which met in the parsonage. The class has had a rapid growth since it was organized in May.

Rev. Yeats has been one of the hardest working pastors in civic and community affairs that the people of Memphis have ever known. At present he is president of the Rotary club. He takes an active part in all such campaigns as bond drives, Red Cross and relief agencies and in every worth-while community undertaking.

Mrs. A. C. Redus Died Last Thursday

Mrs. A. C. Redus, a pioneer of Fisher County, died at the Callan Hospital in Rotan, on Thursday, November 9. She was 79 years, 7 months and 28 days of age. Funeral services were conducted at the Swedonia Church, Friday afternoon, with Rev. B. J. Martin, pastor of the Hamlin Baptist Church, in charge.

Interment was in Hamlin East Cemetery, under the direction of the Barrow Company.

Dr. Baker Will Not Be Here Till January

This week the Herald has a letter from Dr. Fred Baker of San Angelo, the Eye Specialist who has been coming to Hamlin each month, saying his four married daughters and their families are coming to hold a family reunion at his home next week and hence nobody should expect him in Hamlin or anywhere with all that company and happy reunion of children and grandchildren at his home. Congratulations, Dr. and Mrs. Baker.

Notice—No Hunting

We want to warn the public and especially parents of small boys, that it is a violation of the law to hunt on the City Lakes with rifles. Anyone caught hunting with rifles on City Property will be prosecuted to the fullest extent of the law.

Joe L. Culbertson, Mayor.

Rev. Harrell Is Sent To The Tulia Church

This week there are many changes in the pastorates of Methodist pastors throughout this area.

Rev. J. E. Harrell, who has been pastor of the Hamlin Methodist Church the past four years, left Wednesday for Tulia, Swisher County, to become pastor there. Hamlin people have learned to love and appreciate Rev. and Mrs. Harrell during these years. They are leaving a good town and community to go to another of the same kind. Scores of friends throughout a wide section about Hamlin will long remember Rev. Harrell for his many kind and helpful deeds while here.

On this page we introduce the new pastor, Rev. E. L. Yeats. We wish to thank the Editor of the Memphis Democrat for this introduction of the man who has served his own town five years. Rev. Yeats receives a good welcome to Hamlin. He is not altogether a stranger here, as he conducted a revival here a year or more ago.

C. H. Messick Died Friday, November 10

A real pioneer, C. H. Messick, age 81 years, 10 months and 28 days, passed away on Friday, November 10. He had been a familiar figure about Hamlin for several years, following his inability to work on his farm west of Swedonia where he had lived many years.

C. H. Messick was born in Bosque County, Dec. 12, 1862. He was first married to Julia Lee Crow in 1879, and to this union were born nine children, five of whom are living, and were present for the funeral. W. H. Messick of Plainview; Mrs. Maggie Webb of Emporia, Kansas; Mrs. Elsie Essary of Abilene; D. C. Messick of Memphis, Texas; and C. H. Messick of Edgar, Mont. The mother died Feb. 21, 1901.

Mr. Messick was married to Mary E. Woolf in May, 1915, and to this union one child was born, C. F. Messick, of McCaulley. There are 33 grandchildren and five step-children surviving, all of whom were present for the funeral, which was held at the Swedonia Church, Sunday afternoon, November 12, with Rev. Dan Jones of the Church of the Nazarene, and Rev. Dewey Helms of the Assembly of God Church officiating. The Barrow Company had charge of burial in the Swedonia Cemetery.

ARMISTICE DAY PROGRAM HELD SAT.

One of the best and most appropriate Armistice Services ever held in Hamlin was on the streets last Saturday afternoon from three to five o'clock.

All stores were closed at 3:00 P. M. and a crowd of about 1,500 persons gathered on the street next to the Post Office and listened to the grand music of the M.R.T.C. Band from Camp Barkeley.

A long truck, furnished by Reagan Myers, provided a platform for those appearing on the program, including eight Gold Star Mothers, Mrs. Vera Nobles, Mrs. L. E. Hines, Mrs. C. B. McGough, Mrs. C. R. Faulkenberry, Mrs. Ellie Essary, Mrs. C. E. Watson, Mrs. W. R. Townsend, and Mrs. G. E. Wells, who were introduced.

Miss Marguerite Nobles gave a reading, "The Flag," in a very impressive voice and manner. She is a "Gold Star Sister."

A prominent singer, an M.R.T.C. man, of Chicago, rendered several stirring songs, accompanied by a buddy at the Field Organ, in the musical feature of the program.

W. L. Fletcher, Jr., American Legion Post Commander, presided during the services, and introduced the main speaker, Chaplain Ferguson of Camp Barkeley, who had been in Hamlin before on a Bond Rally. He delivered a very strong, helpful and sympathetic address. He is not a Texan but has been in the Abilene Camp so long till he really takes on the Texas air and voice. The Chaplain's address, the band selections, the special voice numbers, as well as the other features of the program produced an atmosphere of deep concern, which was shown in people's faces and in their eyes. To each and everyone, the people of Hamlin have an appreciative feeling for helping to make the memorable day one when our hearts go out in gratitude for those who have died and for those who are offering to die for our country and our ideals of life.

Mrs. Henry Albritton and little daughter, Dorothy Melinda, returned home Wednesday from the Stamford Hospital.

Mrs. Paul Conrad, of New Castle, Delaware, is here to visit her daughter, Mrs. W. L. Boyd, Jr. and little grandson, W. L. III, and the new twin grandsons, Paul and David.

Deep in the Heart of Taxes

You've heard the song "Deep in the Heart of Texas." Most people today are deep in the heart of taxes. A bad pun to make a good point. Last year America's tax-paying electric light and power companies footed a tax bill of more than seven hundred million dollars. One-fourth of the electric dollar goes for taxes of one kind or another.

Still, taxes are necessary in modern war, and seven hundred million dollars or any fraction thereof will buy a lot of planes and guns, medical supplies, tanks and ammunition.

The business-managed companies which pay the taxes are glad to contribute to this fight for freedom. But a lot of people say: How can the electric companies pay these increased taxes and other wartime costs and still keep the price of our household electricity so low? For the truth is, if you're the average user of home electricity, you're getting about twice as much electricity for your money as you were getting, say, fifteen years ago. To do this takes the utmost operating efficiency and economy, and constant engineering research under sound business-management. You can be sure that experienced business management will keep your electric service dependable and low-priced.

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
- 2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes. Try Cardui. If it helps, you'll be glad you did.

In Pacific Somewhere

DOUGLAS McLENDON, BM 1/c

Somewhere on an island out in the Southwest Pacific is Douglas W. McLendon, BM 1/c, a former Hamlin boy who is serving with Uncle Sam's Navy to help chase the Japs out of the Pacific. He was stationed in Hawaii for 15 months but recently has been moving closer to Tokyo.

Douglas is jealous of his "title" and in writing the Herald makes it clear that "BM" stands for Boat-swain Mate and not "Boiler Maker."

Like a typical Texan, he is looking forward to the time when he "will be back in Texas and get plenty of country butter and milk and Texas beef." However, he says that he gets plenty to eat on his present island-home. He sits under a coconut tree to write his letters and sleeps in a 5x2½ pup tent with his buddy, and he told of picking a stalk of bananas, gathering peppers for pepper sauce, and having lima beans that grow plentifully on the island.

In a recent letter to his wife, he stated that "the island had been pretty well torn up and some Japs had been killed," but he couldn't say how many; and he added, "Although I still carry my gun to work each day, the little yellow sons of heaven have been cleared out of this island, so don't worry about me."

Son of Mrs. W. E. McLendon, now of Cisco, Texas, and the late W. E. McLendon, Douglas was born in Jones County, July 14, 1912. After graduating from Hamlin High School in 1930, he attended Southwestern University, Georgetown, Texas, two years. He was employed by Brown Ship Yard, Houston, when he enlisted in the Construction Battalion of the Navy in September 1942, and was called to active service Nov. 27, 1942.

Douglas took his boot training at Camp Bradford, near Norfolk, Va., and later trained at Camp Parks, Calif., and at Port Huene, Calif., before leaving for overseas duty in March, 1943.

McLendon's wife, the former Ina Catherine Bell, is a registered nurse and is now living in Fort Worth, where she is employed at Consolidated Vultee Aircraft Corporation.

Our planes got quite a number of Jap planes and ships. We had a few close calls, but nothing to worry about. "DEAR MOM and DAD: I am a prisoner of war in Germany but don't worry about me. They are treating me fine and through the American Red Cross I am getting plenty to eat and good clothing. See you when the war ends. Soon I hope. Tell Helen you heard from me. Say hello to all. Your son. Again please don't worry about me."

Miss Virginia Johnson Becomes Bride Of T-Sgt. Charles N. Prater

Miss Virginia Johnson, daughter of Mr. and Mrs. M. O. Johnson of Lueders, and T-Sgt. Charles N. Prater, son of Mr. and Mrs. C. C. Prater of Hamlin, were married Saturday morning, November 11, in the home of the bride's parents in Lueders.

The ring ceremony was read by the Rev. J. H. Littleton, of Anson, as the bridal party stood before the fireplace, where tall baskets of white gladiolus and chrysanthemums were placed at either side. The mantel was centered with a long bowl of white carnations and lighted by white tapers. Given in marriage by her father, the bride wore a dress of powder blue with yoke outlined with pearls. Her accessories were brown and her corsage was a brown orchid. Her only attendant was her sister, Miss Mary Lou Johnson.

Mr. Holly Toler, of Hamlin, served as best man.

Preceding the ceremony, Mrs. Adolph Alson sang "Ah, Sweet Mystery of Life," and played the traditional Wedding March.

For the reception, the bride's table was laid with a beautiful Maderia cloth and centered with an arrangement of small white chrysanthemums. At one end of the table was the three-tiered wedding cake, which was cut by the bride, and at the other, was a large crystal punch bowl.

Following a short wedding trip, Sgt. and Mrs. Prater returned to Hamlin to visit his parents until November 28, when he will report to California for reassignment. For traveling, the bride wore a black wool suit with black accessories.

Mrs. Prater graduated from Lueders High School and attended Texas State College for Women in Denton. For the past year, she has been employed in Austin.

Sgt. Prater, after finishing Hamlin High School, attended John Tarlton in Stephenville, and Texas A. and M. College. He volunteered for service in December, 1941, and has recently returned from New Guinea where he spent two years and eight months.

Hamlin Garden Club

As guest speaker for the club could not be secured, Miss Elva Greenway kindly consented to discuss "Garden Designs," but she was unavoidably absent, and Mrs. Moore read the very interesting paper which she had prepared, and which showed that bulbs, perennials and shrubs wisely selected and intelligently planted accord-

ing to a carefully worked out design will give a succession of blooms throughout the season, and for years to come with a minimum of care.

At the close of the meeting, the members enjoyed a stroll through Mrs. Moore's pretty garden which is beautifully designed and well kept. No doubt many resolved to copy some part of it.—Reporter.

LONE STAR GAS COMPANY

POT-SHOTS FROM McCauley

BY GEO DARDEN

It was a happy surprise last week when we read the soldier column in the Herald and found it contained a letter to this scribe from six soldiers in far away Luxembourg. It seems the Editor is getting our mail and publishing same; any way he can keep a secret. The nice letter was sincerely appreciated, and to Sgt. Hillis, Dallas, T/4 Hoover P. Dawden, Ruston, La., T/5 Karl P. Bonner, Winnsboro, La., T/5 Charles Merritt, Chattanooga, Tenn., T/5 Charles R. Baker, Springfield, Ohio, and Pfc. Vivian C. Perryman, of Hamlin, we say Thanks to the Yanks. And we wish you the best of luck and hope you will soon be back in the States.

Machinist Mate 1/c Joe Miers of the Seabees left Sunday for San Francisco for reassignment after a 30-day leave with home folks in McCauley.

Sgt. J. B. Jayroe and wife from Indiana are home on a 20-day leave. J. B. will go on a deer hunt in New Mexico this week.

196 voters voted at the McCauley box; 186 voted the straight Democratic ticket; two voters cast their ballot for the Republicans; one lonely voter wanted the Texas Regulars; one wanted the American First Party and Pappy O'Daniel. The rest wanted this party and that, but after all is said and done, it was an overwhelming majority for Roosevelt and Truman. Don't bite the hand that is feeding you was the general opinion.

If it isn't too far to haul your cotton away from McCauley to get it ginned, then it shouldn't be too far to haul your livestock, feed, etc. to the same place where you gin your cotton to get your FREE weighing. "The nerve of some people."

Mr. and Mrs. Clifford Jones and family of Slaton and Mr. and Mrs. Loui Jones of Lubbock visited relatives in this community last week end.

Sgt. Woodrow Wilson Smith who is stationed at Klamath Falls, Ore., visited his mother, Mrs. Smith, and his sister, Mrs. Roy Hennington, and family last week end.

S/Sgt. Hurbert G. Carson who has

completed fifty missions over enemy territory visited his parents north of McCauley last week.

Mrs. Fred Roderick of Pecan Gap, Texas, is visiting this week in the home of father, Mr. and Mrs. J. H. Milsap.

Mr. and Mrs. Don Houghton and Frank Jackson, Jr. visited their parents, Mr. and Mrs. Frank Jackson in McCauley last week end. They are from Fort Worth.

Pfc. and Mrs. Louis Earl Madden of Hobbs, N. M., and Grandmother Jayroe of Lamesa are visiting in the home of Mrs. Vera Jayroe and Grandmother Yarborough.

McCauley Defeated Sylvester, 21-6
The McCauley Eagles played a good ball game Thursday night to defeat a hard-fighting team from Sylvester 21-6.

In the first quarter, the Eagles elected to receive and marched from their own 30 yard line to a touchdown with Kidd carrying the ball on a center plunge for the score. Maberry kicked for extra points. Early in the second quarter, due to good blocking, Kidd got loose and went 40 yards for a touchdown. Maberry passed to Kidd for the extra point.

In the third quarter, on the kick-off, a Sylvester boy took the ball on his own 20 yard line and behind good interference made their only score of the game.

McCauley's final score came in the third quarter when Kidd took the ball from his own 10 yard line and behind good interference was able to get in the clear and traveled 70 yards for a touchdown. The try for extra point was no good.

The Eagles' season closes with 6 wins and one loss, having split games with Trent. McCauley has piled up a total of 161 points to their opponents' 37.

McCauley is losing three men off the squad this year. The squad members and their positions are: Bobby Maberry, captain and fullback; Johnnie Jones, co-captain and halfback; Russell Kidd, halfback; Gerald Berry, end; John Carter, center; Robert Hicks, end; Joe Houghton, center and end; James Gibson, end; Mer-Ral Carroll, end; Johnny Waldrop, end; Clyde Bostick, end.

McCauley didn't slow down much for Armistice Day. The merchants kept right on selling merchandise, the gin kept ginning, although a number of boll pullers took the day off to see the parade in Abilene and Hamlin. And we are sure the boys in the fox holes didn't take time off to celebrate.

Thanks to the person responsible for our getting the Jayton Chronicle, in fact, we kinda' have a weakness for good ol' Kent County, the place where we were born.

Knoxine Campbell of Hardin-Simmons and Mary Ann McCollum of McMurry spent the week end in the home of Mr. and Mrs. Levi McCollum.

Mr. and Mrs. Melvin Courtney and daughter spent last week end with relatives in Abilene.

Visiting in the home of Mr. and Mrs. L. H. Boyd over the week end were their daughter, Velma Lou, Misses Rita Roach, Spearman, Texas, Mary Close, Alexandria, La., and Dolores Moore of Bay Town, Texas, all students in A.C.C.

The Sixth War Bond drive is on! McCauley's quota is something over \$13,000.00. Time and place, at the McCauley school house, Tuesday night, Nov. 28th. Won't you come out and buy all you can? The boys across the pond will appreciate it, your government will be grateful, and the local committee will thank you. If you can't come, then the next best thing to do is see J. D. Maberry or Ed Mason or E. C. Waldrop and place your order so that this community will go over the top as it has done in the past. Don't forget the time and place—Nov. 28th at the school house.
